Town of Silute

1. Part of Silute (55-20N, 21-28E) was destroyed during World War II. The Germania Hotel was destroyed. There is a park now. Buildings along Hermann Suderman Road, Military Cemetery, and People's Bank were burned down. The trees are still there. Beach Market was also burned down.

Weather and Crop Conditions in the Klaipeda Area in mid July 1953

2. The drought was ended by a good rain and everything is green again.
3. There was a heavy rain on 13 July 1953 which should revive the potato crop. Everything was very dry.
4. The recent good rain failed to revive the home potatoes, although those in the garden may recover. <sup>1</sup>
5. There has been little rain this summer, and people have been awaiting it anxiously.

25X1A 1.  Comment: Home potatoes are probably those on the individual plots, and potatoes in the garden are probably those grown on kolkhoz plots.
